Beacon Lodge is a special
needs camp. We are funded
primarily by donations and
are sponsored by the
Pennsylvania Lions as a state
project. During our camping
season, we operate as a full
service summer camp for
children and adults with a
variety of special needs.
During the off-season,
Beacon Lodge is open for
public rentals. We are
available as a conference
center for businesses and
other organizations, an
educational and informational
facility for families, a rental
camp for other special needs
organizations and non-profits,
or simply for a group of
people that wish to get away
for a day trip or a weekend in
the country. Beacon Lodge
also serves as a beautiful
location for your indoor or
outdoor wedding needs.
Opportunities here are
endless.

THE LAUGHING LION

At a training session in the fire station, the team was assembled around the kitchen table.

The training officer was discussing the behavior of fire: "You pull up to a house and notice puffs of smoke coming from the eaves, blackened out windows and little or no visible flame. What does this tell you?" he asked.

Expecting to hear that the house is in a possible back draft situation, a condition very dangerous to fire fighters, he instead heard from one quick wit, "You got the right place."
